Welcome to Everybody's Picture Theatre 'Buy a Brick' Fund-raiser.

The Buy-A-Brick project is an opportunity for you to leave a lasting imprint of your support for the Everybody's Picture Theatre by purchasing a brick with your name, a family member, or the name of your club or organization.

Your brick(s) will be permanently displayed in the front foyer and this funding will support the restoration. The restoration is happening in three stages; Stage One, the strengthening is already fully funded thanks to Pub Charity. Stage Two will be to complete Building Code requirements such as: Fire Rated Wall Linings, Fire Alarms, an electrical upgrade, heating, a kitchen and a Digital Projector. The cost of this is estimated at \$303,900. Stage Three will complete the restoration with new seating, floor covers and painting.
